

Half day workshop organised by
Develop & Voluntary Action Kennet

Introduction to Safeguarding, Safer Recruitment, CRB / ISA Registration Vetting & Barring

Do you recruit staff or volunteers within your organisation? Do you understand the process, the questions to ask, the checks that need to be made, how to identify potential issues or areas of concern.

Come along to our workshop to find out all you need to know to ensure your organisation complies with the new Government Regulations and that you adopt safeguarding as standard and fully understand the safer recruitment process.

These workshops will take place in Chippenham.
